ACTIVE CITIZENS YOURopa

Promoting concepts and ideas of Active European Citizenship (AEC)

Be a part of it!

The European Commission designated 2013 as the European Year of Citizens. Throughout the lifetime of the Lifelong Learning Programme this is a theme which concerns many major European funding programmes dealing with education and raining, youth, culture and citizenship.

For one year YOURopa puts Active European Citizenship as the focus of all of the project's activities. We will outline how much EC policy and programmes have already achieved in funding AEC-oriented projects . However, we also want to inspire possible future improvements.
