

Good practice projects were identified and nominated into a project pool by the project team, LLP national agencies, contact points for the Europe for Citizens Culture and Youth in Action Programme and coordinators themselves.

Afterwards an international team of experts selected 30 of the most promising projects according to defined criteria for special promotion activities.

Those 30 good practice projects in the area of AEC can be found on the YOURopa website and Facebook page and will be in the focus of the YOURopa conference.
