Conference on Promoting the Concepts and Ideas of Active European Citizenship In the Framework of the European Year of Citizens 2013

Content: Through **thematic workshops** and **keynote speeches**, different aspects of Active European Citizenship will be debated with a Europe-wide audience. The event will include a **project fair**, showcasing the outstanding achievements of 30 unique EU-funded projects, which promote Active European Citizenship. **Networking** and **partnership-building** opportunities will be promoted throughout the course of this major European event, delivered in the framework of the European Year of Citizens 2013.

Target groups: Active citizens, volunteers, civil society organisations, policy-makers, institutional representatives, media and other stakeholders interested in the concepts of Active European Citizenship.

Working languages: English
